**IN THE PARISH LIBRARY:** New Book: **A Friendly Guide to Luke’s Gospel (Stuart Moran) 2013.** This exploration of Luke’s Gospel will involve seeing what Luke shares in common with other books in the New Testament, but also what make Luke’s perspective in Jesus distinctive and unique. Luke planned his writings in detail. “I too decided, after investigating everything Gospel are well known. It is helpful to read the whole Gospel and experience it from beginning to end. It is also helpful to read it a loud as Luke wrote for those who would hear rather than read his Gospel, many Gentiles and Greek speaking Jews. Luke gives insights into Mary’s role, and the role of women in Jesus’ Story.
